# SPICE

At Japanese Curry ZEN, we use a rich, thick broth made from vegetables, and homemade Garam Masala (a blend of spices often used in Northern India and Southern Asian countries), which is comprised of over 10 different spices.

Each of the spices has their own unique holistic qualities such as: warming the body, aiding in cell turnover, improved appetite, alleviating fatigue, and acting as an anti-oxidant. Please Enjoy and take a look at the list of spices as below!!

**1. Turmeric:** Pain relief, ease hangover, hemostasis (blood clotting), strengthens liver functions

**2. Coriander:** Improving appetite, promote digestive system, pain relief, blood cleansing, aiding perspiration

**3. Clove:** Promote digestive system, anti-inflammatory, anti-oxidants, (cloves naturally have many positive medicinal qualities and have been used in holistic medicine throughout history)

**4. Cumin:** Promotes digestive system, strengthens liver functions, used to treat digestive disorders, detoxification

**5. Cardamon:** Natural preservative, promotes digestive system, deodorization

**6. Fennel:** Improves circulatory system, pain relief

**7. Cinnamon:** Anti-inflammatory, anti-bacterial, fever reducer, aiding perspiration,

**8. Black Pepper:** Improving appetite

**9. Chili Pepper:** Promotes digestive system, aiding perspiration, anti-aging, anti-oxidants, improving appetite (too much consumption may cause irritation in stomach and intestine)

**10. All spice:** Promote digestive system, anti-inflammatory, anti-septic, anti-bacterial

**11. Laurel:** Improving appetite, manufacturing of saliva, anti-inflammatory, pain relief

**12. Ginger:** Improving appetite, aiding perspiration, cough relief, promotes healthy stomach, warming the body

**13. Garlic:** Improving appetite, relieving fatigue, healthy stomach, aiding intestinal disorder

**14. Paprika:** Relieving fatigue, anti-oxidant, hardening of arteries prevention

**15. Nutmeg:** Aiding intestinal disorder, warming the body
